

Reliability Lab Poster

Design Brief — Final Version

"Where Reliability is Proven, Not Assumed"

Deliverable	A3 horizontal promotional poster (420×297mm), print-ready
Client	Panasonic Automotive — Automotive Quality Assurances Center
Purpose	Showcase 5 reliability testing services to B2B clients
Audience	Procurement managers, quality engineers, R&D leads at electrical & electronic component manufacturing factories

Creative Direction

Aesthetic: Industrial Dark + Clean Professional

Mood References: Aerospace mission control dashboard, Tesla spec sheet, premium automotive engineering brochure, scientific instrument UI

Feeling: Precise, authoritative, technical, premium — *"we measure things to the decimal point"*

Color Palette

Swatch	Role	Name	Hex	Usage
	Background (primary)	Dark Navy	#0A1628	Main poster background
	Background (secondary)	Charcoal	#1A2332	Card backgrounds
	Primary accent	Panasonic Blue	#00AEFF	Hero text, 4 env. cards
	Secondary accent	Industrial Amber	#FFA726	Mechanical card only
	Text (primary)	White	#FFFFFF	Headings, spec numerals
	Text (secondary)	Cool Gray	#8B95A7	Body, labels, units

Typography

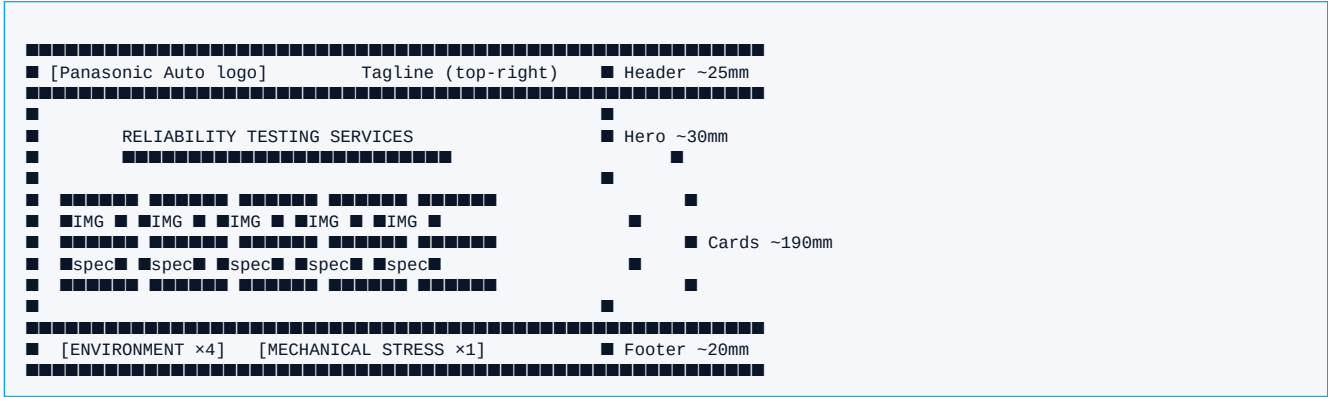

Element	Style	Suggested Fonts
Hero title	Bold sans-serif, condensed, uppercase	Inter Bold, Barlow Condensed
Spec numerals ■	Engineering/monospace — visual hero	JetBrains Mono, Space Mono
Body/labels	Clean sans-serif, regular weight	Inter, Helvetica Neue

Visual Hierarchy (largest → smallest):

- Hero title — "Reliability Testing Services"
- Spec numbers on each card
- Card titles
- Category labels & units
- Tagline & footer text

Layout Structure

A3 horizontal — 420×297mm. Five service cards arranged in a single row, flanked by header (logo + tagline) and footer (category badges).

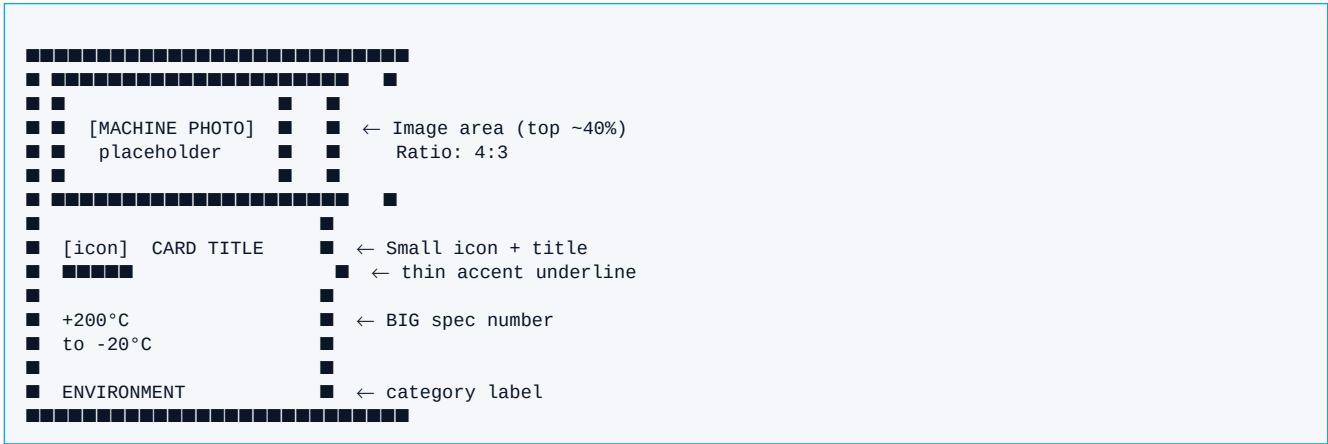

Decorative elements:

- Subtle technical grid overlay across entire background (8% opacity)
- Corner frame accents (L-shaped brackets) at all 4 poster corners
- Thin horizontal divider lines between header / hero / cards / footer

Card dimensions:

- Width: ~76mm per card (5 cards + gaps within 420mm)
- Height: ~190mm
- Image area: ~76mm × 75mm (top portion)
- Info area: ~76mm × 115mm (bottom portion)

Card Anatomy (All 5 Cards)

Machine Photo Requirements ■

User will supply 5 photos — one per card, of actual machines/chambers.

Property	Specification
Aspect ratio	4:3 (preferred) or 16:10
Resolution	Minimum 1200×900 px, 300 DPI for print
Format	JPG or PNG
Treatment	Apply subtle dark overlay (20–30%) to balance with accents
Border	1px inner border in card's accent color (blue or amber)
Background	Ideally dark/lab backgrounds for seamless blend with theme
Placeholder	Dashed Panasonic Blue border + text: [MACHINE IMAGE — 1200×900px]

Card Content (Left to Right)

1

Temperature Chamber

Environment • Panasonic Blue #00AEEF

Specs:

- Range A: +200°C to -20°C
- Range B: +300°C to -20°C

Icon: Thermometer with heat waves

2

Temperature & Humidity Chamber

Environment • Panasonic Blue #00AEEF

Specs:

- Temp A: +150°C to -50°C
- Temp B: +100°C to -20°C
- Humidity: 20–98% RH

Icon: Thermometer + water droplet

3

Thermal Shock Chamber

Environment • Panasonic Blue #00AEEF

Specs:

- Range: +200°C to -70°C
- Highlight: rapid hot/cold transition

Icon: Split hot/cold or lightning bolt across thermometer

4

Rapid Temperature Change

Environment • Panasonic Blue #00AEEF

Specs:

- Range: +180°C to -70°C

Icon: Up/down arrows with thermometer

5

Vibration + Tensile/Compression

Mechanical Stress • Industrial Amber #FFA726 Distinct accent

Specs:

- Vibration: 5Hz – 3kHz, up to 50G
- Force: up to 20 kN (tensile/compression)

Icon: Vibration wave + force arrows

Icon Style

✓ Do	✗ Don't
Thin line icons (1.5–2px stroke) Geometric, technical-blueprint feel Match card's accent color (blue/amber)	3D renders Colorful illustrations Flat filled shapes Cute or cartoon icons

Header & Footer

Header (~25mm tall)

- **Left:** Panasonic Automotive logo — preserve original colors (black text + green "AUTOMOTIVE" subtext). If dark background harms legibility, place logo on a small white plate.
- **Right:** Tagline "Where Reliability is Proven, Not Assumed" in italic or light weight, Panasonic Blue.

Footer (~20mm tall)

- Two category badges showing service grouping:

[ENVIRONMENT — 4 SERVICES]	[MECHANICAL STRESS — 1 SERVICE]
------------------------------	-----------------------------------

- Optional: small "Automotive Quality Assurances Center" text in cool gray.

Print Specifications

Size	A3 horizontal — 420×297mm
Bleed	3mm on all sides
Color mode	Design in RGB for screen preview; convert to CMYK for print
Resolution	300 DPI for any raster elements
Safe zone	Keep critical content 10mm inside trim edge

What to Avoid

- ✗ Generic stock photos of factories or scientists (use real machine photos only)
- ✗ Cliché tech imagery (circuit boards, glowing orbs, hexagon patterns)
- ✗ Gradient backgrounds (keep flat dark with subtle grid only)
- ✗ More than 2 accent colors
- ✗ Crowded layouts — let the spec numbers and photos breathe
- ✗ Replacing the machine photo areas with illustrations or icons

End of Design Brief
